The Barton L.  
Weller  
Scholarship

2024-2025

An independent research scholarship for high school seniors excelling in STEAM (Science, Technology, Engineering, Arts, & Math)

[bartonwellerfoundation.com](http://bartonwellerfoundation.com)

**The Weller Foundation, Incorporated provides a \$22,000 scholarship to one student based on an innovative independent research or study project.**

### What is required?

Participants are required to complete a five-month, original independent research study or project. The 2025 Barton L. Weller scholar will be selected by a panel of judges based on the submitted project.

### What topics can you pursue?

Any topic – from art to behavior science to computers to zithers – providing it involves independent study or a creative endeavor.

### Who is eligible to participate?

Any senior-year student at Joel Barlow, Masuk, Newtown, Shelton or Trumbull High School on a full-time basis during the entire 2024-2025 academic year. Applicants must be U.S. citizens, nationals, or permanent residents. The award recipient must attend a four-year undergraduate degree program in the United States.

### How to apply?

Interested students should submit a one to two-page proposal detailing the topic and goals of their independent research study/project. Additionally, they must submit a separate page answering the following questions:

1. What is the major benefit of your project?
2. Who will benefit from your project?
3. How will this benefit be realized?
4. What are the potential complications that may affect the successful completion of your project?
5. Elaborate on the format and deliverables of your completed project.

Proposals must be received by

**October 1, 2024**

Students should submit their application to their school representative/Weller Liaison for approval and signature. The Liaison will email the completed application to the Foundation to [bwellerfoundation@gmail.com](mailto:bwellerfoundation@gmail.com).

### If you're selected as a finalist ...

Up to five finalists will be selected from all entries and will be notified by email.

Selected candidates will receive \$200 to help defray expenses and will have from **October 15, 2024** until **March 4, 2025** to submit your final project.

### When will the scholarship be presented?

The finalists, who have successfully completed and submitted their projects on time, will be eligible to receive \$500 for completion and timely submission of their projects. At that time, the \$22,000 scholarship will be awarded to the student whose project is judged to be the best.
